

## Women of Faith

### An Overview of Prophecy, Tongues, Signs & Wonders Acts

**Before beginning, pray that the Holy Spirit will teach and enlighten you as you study.**

**We encourage you to add any Scripture not included in the lesson to support your answers.**

- **Read through the book of Acts**
- **As you read make note of instances of prophecy, tongues, and/or miracles.**
- **Answer two questions as you read and note these instances:**
  - **What happened and Why did it happen?**

**OR**

- **What happened and So what?**

**This overview of Acts will serve as good background to I Corinthians 14. We will meet all together in discussion of Acts, and then move into the teaching time introducing I Corinthians 14.**

**See you Sunday, January 20!**

**Mark your calendars for the Women of Faith winter/spring dates.
